*Sam was a very good brother. He had a heart of gold. We use to laugh together a lot. My best memory of Sam is one night I was parked illegally and Sam backed out if his drive way and hit my momas car. I was in the wrong so I didn't call the cops. And Sam still paid to have my momas car fixed. That is something I will never forget as long as I live. People like that don't exist anymore. RIP my brother. May you be accepted in paradise.*

“ So many memories of my uncle but one I always think of first was after my Bayou Classic game team meal he was in line with the players. Coaches were whispering ?? Who is this guy? Me sitting with my back turn their way heard the ??s they told him it was a team meal and he replied, y'all ain't gone eat all that food!! I told the coaches that's my uncle and Eddie Robsinson said "he's for Grambling isn't he?, let him eat!! My unc joined me and my teammates at the table.

“ My Uncle was all three phases every man should be! I will always love him! As a Albert we have a responsibility to our family and our name! Which is why I'm thankful for the summers we spent out there and putting us to work as well! I will look back and remember who made the best gumbo who taught me how to ride a horse who taught me concrete work and who was my Uncle who played Isley Brothers in his red truck!! Bottom line is saying that you were a amazing man is a under statement. When you get to Heaven look down on us and know that we are proud to be a Albert and know we will be ok. .. This isn't a goodbye! This is a see you later and thank you for being a Great Man and My Uncle!!
