“ *I am so saddened by this. I have known James for a very long time and at the risk of saying something inappropriate at this sad time, we used to swing out at Charcoal whenever we were there at the same time. I just got the news today as I was talking with my sister by phone for I'm out of state at work. I'm sorry I won't be able to celebrate my friends Homegoing. RIP in Heaven with God my friend. My sincerest condolences to the family as the siblings are my long time friends as well. RIP my friend*
