“ Saying goodbye is so difficult, but I cherish the precious memories of 79 years of you being a part of my life. I remember when you first went to the army, and you came home for the first time, I was so happy to see you I tried to pick you up (lol) I was only 7 years old. I can remember my first driving lesson in your 1963 Carver standard shift , and about 8 years later you gave it to me free change. I can remember after you retired from the service Tomasita, Roxie, Wallace ,and I went to Roseland for a short visit. Tomasita always said that when we were at your house we were on military time because we had to get get up early and get a head of the traffic. I can remember the big breakfast of grits, bacon, eggs and biscuits you would make for us when we were leaving for home. I remember how I would ask you if you were your favorite sister, and you would always say you loved all of your sisters the same. And last of all I remember how I would sit by you bed side and read the bible (Psalms) to you. Now you are with your mom, dad, 4 brothers and 2 sisters. I am so proud of you and I thank GOD that He gave you to be My OLDEST BROTHER. I love you dearly big brother. Your favorite sister Shirley.

“ To My beloved Soror Bernadette and Family,

*Please accept my deepest sympathy and heartfelt prayers during the passing of your father. In moments like these, words often feel inadequate, yet I pray you find comfort in knowing that God is near to the brokenhearted and carries you gently through grief.*

*Your father's life, love, and legacy will forever remain in your heart. May the memories you shared bring peace in the days ahead, and may the strength of family, sisterhood, and faith surround you with comfort and care.*

*Scripture reminds us:*

*“The Lord is close to the brokenhearted and saves those who are crushed in spirit.” — Psalm 34:18*

*And also:*

*“Blessed are they that mourn: for they shall be comforted.” — Matthew 5:4*

*Soror Bern, lean on God's unfailing arms during this difficult season. We stand with you in love, prayer, and support. May God grant you peace beyond understanding, strength for each day, and comfort in the precious memories of your father.*

*With love and sympathy,  
Dr. Tanya L. Moses *

“ Today I reflect on the memory of my uncle James a man whom I respected very much one who I wished to one day be as strong and gifted as he was. I remember the day that he and my Aunt Barbara were married and later when they purchased their 1963 Chevrolet Corvair and I use to sit in it thinking one day I could learn how to drive it and impress those who would watch me drive my Uncle and Aunt new car. Those were the good old days. Now who would have thought that in later years especially me that one day I would grow up and get married and have one of their beautiful daughters in my wedding. May God continue to bless all of His loved ones and know that one day we all will join each other once again. Until then let's not forget how much he love God and his dear family.

Uncle James was a quiet, soft spoken man. The first time I met him was at the breakfast table in his home. He told Mike and I that we fit together like a puzzle 🧩. Marriage was the farthest thing in my mind. Well, those two pieces of the puzzle have been together for 36 years. Prayers of comfort to the family and friends who have shared precious memories with Uncle James.
