“ *Dear Auntie,*

*This is tough & shocking to say the least. You entered eternal life on my birthday. I will take with me the sincere & loving spirit you shared. Every where you went you lit up the room with your sense of humor. Never afraid to be yourself & tell it like it was. We're gonna miss you sooooo much. You made everyone laugh even when you weren't trying too. You looked out for everyone. Always had a giving spirit. Souls like you are rare. Completely in a state of shock but get your rest Auntie. Tell Ma (My grandmother) & everyone we said hello & we love them all. Give them big hugs for us. Forever in our hearts. We love you 5ever! ❤️*

“ When I was informed of your passing, it took my breathe away at first. It took a minute for me to catch my breathe again. You are a HUGE personality. You will be missed. Your loud voice, your laugh from your belly, your giving spirit. After my flesh reacted, my faith kicked in like a generator that flips on after the power goes out and God reminded me that Flesh and Blood cannot inherit the kingdom of God. That corruptible MUST put on incorruption and mortal MUST put on immortality so you have changed. Just as He said we all shall be. I will miss you in the flesh, but my spirit says with confidence. See you later.
