“ As hard as it is to except the fact that my big sister is gone. It's a great blessing, honor and awesomely great privilege to have had the wonderful chance to have known her. When she and I first met almost 30 years ago we had no idea that we would be in-laws. I thank GOD for placing us in each other's lives. She has always been such a beautiful sister to me. I can't thank GOD ENOUGH for her. She had the most kindest heart. There is just not enough words to express how how much I loved you JoElla. She was a wonderful big sister and a very great friend. (Holding back the tears). Through your strength you made me strong. I love you for that. I will miss the talks and all of the laughter we had. But I promise I will never forget you. You were my sunshine. When I was feeling down and depressed I would call you and you knew the right thing to say to lift my spirits. I'll always hold that near and true to my heart. This is something our children didn't know. But I will always treasure that as presidiums memories. ???????????

“ *Another solider gone onto glory. The work she did, did speak for her. She never did meet a stranger and she made everyone welcomed. If she didn't do it with a smile or a laugh, she did it with her cooking. This solider has done her job on this side, now it's time for her to take her rest.. Rest on. May God Bless you and your family. Prayers are with you in your time of sorrow. Cousin "Lou"*
