*I can't believe Jeanetta is gone, I've searched years for her, to no avail until today. We used to attend church services together at the Opelousas United Pentecostal Church where she received the Baptism of the Holy Ghost at the age of 17 years. She was a precious friend and I miss her dearly! When she was praying in the altar, she started shouting, "Oh Sis Barbara, I see!" She began speaking in tongues right after, a wonderful time in our lives! Family members, I am so sorry for your horrific loss, please accept my heartfelt condolences. GOD bless each of you in JESUS' Name!*

“ Hi this is jo etta walker kennerson her only daughter I don't have to say how much Jeremy and I loved my mother she gave us not everything we wanted but provided everything we needed she was a nurse but often took jobs offshore, security guard, even teaching at the school just to provide. She was an incredible woman she was smart she finished top in high school. She also was very proud and independent she also had her own she tough me many things. Like how to be a strong black woman to always take pride in your self. I remember as far back as 30 years ago I was only 8 and my brother was 7 she always iron our clothes before school. she also loved to wear a beautiful white dress. she told us how she only had one but it was pressed and clean. Hey I could go on and on about her but most of all she tough us how to ❤️😍💕 love you mom thank you for sharing your life with us. It was a pleasure to have known you..
