“ Although Johanna's time on this earth was limited, she had a profound impact on her family and on everyone she touched. She will be greatly missed. Memories of every moment that she lived will forever be cherished by all she touched.
Johanna, I will miss you dearly.
Our last conversation on 2/26 we said to each other "I love you" before saying goodbye. I love you, but God loves you more.
Rest in peace Sweetheart.

with heartache and anger
I look to the sky for one last cry

touched*

*The memories we have
I can't erase
The love you gave me
no one can take your place*

*I ask God just one last time for a hug a talk to hear your voice again
I'm so lost without you
you wasn't just my mother
but also my best friend*

*Hey mama
God sending you a gift from me
he sending
you my heart of flowers
He picked a bunch from me*

*I ask him to
Place them in your arms
And tell you
Those flowers of my heart is from me*

That was such a beautiful tribute to your mother! I can tell from the hug you all shared that very special day that she was so full of love and happiness a mother had for her son and a son for his mother and how much love you had for her when you danced with her. Whatever you do, never let go of those priceless, heartfelt memories and she will live and be with you forever. God's peace to you and your family!
