“ *Deepest condolences to the family. If one would google “bus driver” , Mr. JC would appear. Mr. JC was truly a creation of God. He always had a smile on his face and always engaged in pleasant conversations. He was my bus driver over 40 years ago and my family’s driver for 3 generations. He remained the same wonderful person throughout all these years. My last time seeing him was at a JS Clark playoff basketball game. He came and sat next to me at the game and we laughed about life and the good old days. He was very passionate about his work and made SURE that if the kids were competing — no matter the location or the distance—he would get them there. Mr. JC was one of the “Greats”—he will be missed. RIP-Mr. JC.*

I'm just looking through the obituary and I'm seeing this now. I'm so hurt to see this. Mr.jc was the best bus driver we ever had . my kids loved riding his bus. I've road his bus also back in the 80. We seen him about 3 years ago when he substituted. It like seeing Jesus.. We were so elated and excited to see him. He parked the bus and got down and talked to us as he always has mornings and afternoons. It never a dull moment with him. Rest in Power Mr.Jc. I don't know how to break this story to my son's.We love you always.💔🙏🕯️

“ Mr. JC was so well-liked as our bus driver! He played music loud for us when we asked, he was always in a good mood talking to us and laughing with us, and he'd even stop at the store and buy us candy. He genuinely cared about his students and we loved him! RIP, sweet man ❤️

“ JC was a very nice guy always making you meet with someone that you haven't seen for a while to see if you still remember that person. He would never pass you up without saying hello and a few words he will be missed.
