“ *To Nan Irene & FLY
I know I will miss my cousin but i truly feel God knew best. I really am glad I visited him and got to pray with him on Sunday Nov 13, 2011. You all are truly in my prayers. Me and my family will always remember our devoted cousin Junior Boy. He would come over often and Preach to us and at the time we were completely unaware of what was going on. But I can honestly say we know now. He was just spreading the Word of God in his own little way and he knew his Word. It goes without saying how much we love "Junior Boy" as well as you all. You all have our deepest sympathy

“ *To Cousin Irene,
I know your heart is very sad. Chevis was always there for you. He will be diligently looking down on you with open arms to protect you. He had grown tired and his father knew he needed rest so he whispered come on home my dear child. The gates opened very wide for a soldier was entering who fought until the end with pride, honesty. and most of all loving care for his dear mother. He will be missed by the entire community and especially us. Our prayers will forever be lifted up for you cousin Irene and may God give you strength and peace to endure your lost.
