“ *Melissa and Moonie', my heart is saddened of the death of "Py-June". I send my most heartfelt condolences to you both in the loss of your dearly beloved brother. May God's Amazing Grace and Unfailing Love lighten your burden and ease your pain. Ladies, I too have walked this path, and I can say, put your trust in The Lord and your tears will turn to laughter, and your mourning to joy, during your time of grief! I pray The Presence, Peace, Provision of God be with you and the family during this most difficult time!*
