“ My dearest brother.. this is one of the hardest pills I have ever had to swallow.. never did I think I would have to say farewell so soon.. there are so many fond memories of you... death stings the heart but God comforts the heart.. I can take comfort in knowing that The Word tells us to be absent in body is to be present before the Lord... Take your place in your Eternal Home that was prepared for you.. For death has only removed your physical being (and yes it hurts) but you will forever be in our hearts and memory and not even death can steal that.. we love you and will see you when God calls us Home... Rest in Eternal Peace Big Brother.

“ I will forever remember Joey for his goodness and wonderful smile. I loved his red boudin. It was by far the best. Joey sent 2 bags of his red boudin to me by my Aunt Delores. I was so happy. Well I ate both bags within 2 days and ended up in ER with elevated blood pressure. I told the doctor what I had eaten. He said I would have died a happy person because although I sick I was still bragging about wanting more of Joey's delicious red boudin. RIP cousin I love you.

To The Lachapelle Family!

First I would like for all of you in the family to know that I realize it is so hard to loose such a good person.

We all know that Joey was a special young man.

He was brought up in a family of love, and I know he brought the same love to his wife and sons.

He will surely be missed, and his special favors that he spread to so many of us will never be forgotten.

He was taught respect, kindness, love and good manners and never disrespected anyone.

He had a contagious smile that was so noticeable to others.

I am his God-mother and he spent time with my family when he was young. I cannot say that I ever saw him angry, or being ugly to anyone. He was so kind to his elders, and so very helpful in any way he could be.

Joey, “Rest in Peace” and please know that the Frilot Family will always hold a special place in our hearts for you!
