“ *When I heard the news I was just caught off guard. JESUS says he is always with us until the end. A couple of months ago we saw each other at another funeral. We kissed and hugged each other and so happy to talk. I can still your big smile. The Bible says, to be absent from the body to be present with the Lord. I pray for your entire family, especially your mother. May God keep her in his harms. I pray peace for the Mallet family and everyone that LOVED fatty.*

Before I left to come back home to California we had a chance to talk at your mom's birthday and when I had a flat in the S- pee. First thing you ask about my brother Bobby how was he doing. Then we chatted about your work and retirement. And about life and how we were so blessed 🍷🍷 I will miss you cousin and your laugh. But our God is good so I know he will heal our broken hearts 💕 because we love and miss you dearly. My whole family will miss dearly. Spencer shelvin
