“ *Nephew I will forever keep the good memories we all shared. How many summers you, my nephew Daniel Winfrey Jr. (DJ), & my baby boy Thomas Braxton Pierre spent at my house I can't count. How many asked me you take a two weeks vacation from work for you three to spent time together I can't count. I just laugh and said one week for you all to enjoy, and one week for me to rest. LOL All I can say now I wouldn't change that for nothing!! Rest now nephew knowing you were loved much!!!*

“ Time heals grief and quarrels, for we change and are no longer the same person. When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight. When you speak of him speak not with tears for thoughts of him should not be sad. Let memories of the time you shared give you comfort for his life was rich because of you. May God's peace be with you.
