“ I knew Joe Warner in his professional life as the campus police office for Bakersfield High School back in 1985. I was a student there and he became a mentor to me related to my interest in law enforcement. He and I became friends and through his encouragement I became a police office with the Bakersfield Police Department. I retired after 32 years as a sergeant and have so much gratitude for his advice and guidance. Thank you, Joe. May you Rest in Peace. My most sincere condolences to his friends and family.

“ I just heard today June 15, 2024 that my friend Joe Warner passed away!

I am so sorry to all of Joe's family and friends who mourned in his passing!

I first met Joe when I was hired by the Bakersfield Police Department in 1977!

Joe was a Detective at that time and had been one heck of a motorcycle Officer and police officer!

Joe was initially recruited to Bakersfield to play football at Bakersfield College! He ultimately stayed here and was eventually hired by the Bakersfield Police Department!

Joe was well respected, worked one of the most dangerous foot beats in our city for many year's! And did that without being seriously hurt! Joe was truly dedicated an officer and public servant !

Joe and Shirley raised their children in Bakersfield and they were proud of both of them!

Joe after leaving the Police Department found his second career as the head campus security/law enforcement officer of Bakersfield High School!

I would stop by on numerous occasions while near the school to converse with Joe!

Joe is remembered by me as a tough, fair law enforcement officer and a dedicated father and spouse! Joe also enjoyed a good golf game!

Rest in peace my friend until we meet again! I know you are looking for that golf hole in one!
