“ Alice and family: We have sooooo many great memories of Tucker that we cherish. We are so sorry for your loss. We loved and cared for him and he was such a pleasure to be with. We admired his work ethics and expertise in handling situations at Rene Rost Middle. He was always so cheerful and up beat, a constant smile on his face and his laugh that is so memorable. We were very fortunate to have him in our lives. He had such a positive attitude and thought of him as a dear friend and colleague. I always had a "chuckle" when I think of 2 things that happened at school. Boyd use to have kids bring in frogs to dissect for science class. Over night, the bag sack the frogs were in had opened. Early in the dark morning, Tucker opened the door to start cleaning Boyd's room. He entered the room and frogs were jumping around all over and scared the daylights out of him. He was waiting for us and we all had a good laugh. One weekend I (Betty) went to school at night to do lessons. Somehow, he did not see my car when he got to school to do stuff before Monday. The hall was dark and I walked out of my room at the same time he was coming down the hall. He screamed and almost passed out. He said he thought it was a ghost in the hall. We both had a good laugh after he caught his breath and calmed down. Yes, we loved Tuck and he will always be a part of our memories. His presence will be deeply missed even though we did not see him on a regular basis. He will always be considered a VERY DEAR FRIEND.

With love to all of you, Betty, Boyd and Olivia Girouard
