“ Though you hope that they are well
not one person can really tell
but what brings a little piece of mind
is all the others they've left behind
remember that we're all the same
all our lives have changed
even though in different ways
we've got one common bond
each one of us has loved and lost
this special person
we are, all brought together
parents, siblings, and friends
it's time to say our last goodbyes
as she make her way, up to the skies
I will miss you.!
