“ Dear Thomas family, I hope you'll accept my deep regrets for your loss though you don't know me because death is our greatest enemy and always brings much pain and grief but comfort and hope is found in Jehovah Gods word the Bible at John11:11 that tells us that they're just asleep and Jesus tells us at John5:28,29 that we'll see our love ones again and we can also look forward to this enemy death being done away with as ICor15:26 tells us and this helps me get through each day and I truly hope these scriptures have helped in some way for this is my purpose in sharing this with you and please know that I do share your grief. Sincerely, Gloria
