“ We've known each other for years, and had wonderful times together just like blood relatives. God took you in his arms. You were a prayer warrior. I'll miss your presence each and every day. Praying for your family to have strength. You've earned your beautiful wings. Until we see each other again my friend. 🙏😭

“ I’m so lost for words, to explain how huge your heart was and your smile would light the building!! You were always there for me, with kind words and advice to always put God first!! I’m so heartbroken, to know your no longer here. You were always there to listen. You were a awesome mother, grandmother, aunt, cousin, and friend. You were a angel on earth!!!! I will cherish every moment I had with you! I will never ever forget you!! When I lost my mom, you reached out to me and with open arms!!! Oh how I needed you then more then you will ever know!! I don’t think you turned anyone away who ever was in need of anything , from love to prayers! No was not in your vocabulary! When I wanted to give up, you said KEEP FAITH!!! Always a smile on your face with warm embrace!! I love you! I miss you already!! To the family I will pray for each and everyone of you!! I’m so sorry for your loss!!
