“ Hello Family: It is my misfortune that I didn't spend enough time with Justin, but I knew him! Grew up with his mother and her siblings. Grew up knowing his roots (grandmother, LeeAnna, and grandfather, Willie). They say you know a tree by its roots. That being said...I knew Justin. I followed his happiness on facebook, as well. He couldn't have been born into a happier, heart-felt, and beautiful family of people. My extended family. If I don't make the funeral in person, know that i'm with you spiritually. Love you my family and I feel you.
