“ To my beautiful friend. Not a day goes by that I don't think of you and the times we shared. I'm so lucky to have been able to meet and love someone as amazing as you. You were my shoulder to cry on when and great listening ear. This loss will not be easy but I know you're now in better place. As bad as I'm hurting, I also understand God makes no mistakes. I love you through eternity. Get your rest baby girl. We will have so many more conversations about this crazy life when I get there. Rest In Paradise.
