“ Although we have never met, I am deeply saddened by your loss. We all are touched by the loss of a loved one. Please know that God will be with you to comfort and soothe your heart. Psalms 34:18 says that He is near to those broken at heart and saves those crushed in spirit. Always remember the promises found in His Holy Word. Please accept my sincere condolences.

“ To Kathy's Family, I would like to extend my deepest sympathy to all of you. Kathy was an extraordinary woman. There was never a time when I walked into Family Dollar store that Kathy was not all smiles and laughs. There were many days I didn't feel like smiling, but after only a few minutes with Kathy, she had me smiling and laughing. I will miss her dearly. RIP Kathy

“ *I am so sorry for your family's loss. I met Kathy from my frequent trips to the Family Dollar store and truly loved her. When I would walk in the store I would wait for a comment from her. She was always picking on me for something. It will just not be the same without her. I am keeping your family in my prayers.*

“ *To Kathy's Family, I do not know all of you, but I wanted to express my sympathy to you. I knew Kathy from the Dollar Store in Washington. I am going to miss her friendly smile. She was always so nice and friendly to all of us. Always asking about my children if they were not with me. I pray for all of you that God holds you close during this difficult time.*
