“ *My name is Star'La Shelvin and even though I do not reside in Louisiana, nor do I know you personally, you carry my last name. So that means we are family. I want to say to cousins family that this is a time to celebrate not a time to mourn, because Keith no longer has to live on earth where there is so much hatred. He can now rest in heaven; in peace with our heavily father. We will all see and be together again when it's our time.*

R.I.P. Keith Anthony Shelvin

Sending my love and condolences from Houston, TX
