“ *I am so sorry for your loss. In the bible we find hope and comfort. May the thoughts in Revelation 21:1-5 give you solace at this difficult time.*

“ *Please accept condolences from my family and I. Kevin was a life long friend of mine and I will remember him for his great friendship. In illness last year, he came to see me when my father passed and I am grateful we were able to have that time. I will miss seeing him during my visits to our home community in the future. My love to the family.*
