“ Kevin was an awesome person to be around at work and around the house. We started our Railroad careers together and I knew from the first day he was someone I could talk to and hang out with because he was so understanding and he was always willing to help. You will truly be missed old friend, I can not wait until we meet again.

“ Wow!!! When I heard the death of Mr. Kevin Roberts (Daddi K) it really messed me up. I met him in 2005, he stayed around the corner an I told him I was a barber. I started cutting his hair an we became really close. He was like a father to me. I could talk to him about anything an he would let me vent or tell me what he thinks. He would call me (Shawty) everytime I would see him,call him or text. He was a great man,I would always tell him I admired him because he was always about his business. To the Roberts Family my heart goes out to you all. I will be praying that God heal each and every one of you. I miss you Daddi K...Gone but Never Forgotten. (LadiBarber)

“ *I have not seen nor communicated with Kevin since high school, but  
what I remember the most about him is his big smile, his kindness  
and generosity. He was a true gentleman always willing to give up  
his seat up on the bus to allow a young lady to have a seat...My  
condolences to the Roberts family. I am so sorry for your loss.*
