“ *Kim, I remember we use to run all over Park Circle playing football, baseball, riding bikes, and just having fun. We grew up together, you will be missed, but will live on in our memories.*

“ *Mr. Kim Ned always had a smile on his face, and always made you laugh!! I went to school with him, I loaned him, a pencil or ink pen, I can't remember, which one it was, but he never forgot it, he would always say, you loaned me, a pen, and I didn't give it back!! I would always say, don't worry about it, you can use it one day, when you autograph the book or music that your going to write!! We laughed!! Then he said, I hope you will be the first one in line, for my autograph!! I said, Well of course, I'll get my pen back and have your autographed book or music along with it!!! R.I.P. Kim Ned!! Class of 1986.*
