“ Katherine and I are deeply saddened by your family's loss. Misti, at work we were all uplifted by the pride you took in Kori, from the drawings you brought in to her exasperating logic we could deduce over the phone. "Oh Miss Kori, you know better than that". The loss of a child is every mom's nightmare, and the loss of one as precious as Kori is hard on all of us.

Take care, Dear.

“ I didnt know your beautiful daughter. I along with thousands of other strangers prayed everyday for Kori and her family. I cant imagine the pain you must be feeling, but I will continue to pray everyday for strength and comfort for your family. I was hoping there would be a scholarship fund or something we can contribute to to keep honoring Kori's memory. Maybe something through her dance school in her hometown...LSU. I know there would be many people to contribute. May Kori rest in peace and may God wrap his arms around her entire family. Corrinne Vasquez-Houston Texas

“ My prayers are with you Ms. Misti and Mr. LeVar, as well as with Kori's sisters and brothers. I have watched Kori grow up through dance, as I have taught many years for Mrs. Lisa. She was the star of the stage and the dancer that everyone's eyes were drawn to, ever since she was tiny. Last year, Kori's senior year, I was blessed to have been able to teach her twice a day at MACA. She was quiet but she was fierce. Her smile and kind heart lit up the room. I am forever grateful for the time I got to have Kori in my life. Many hearts were touched by Kori. Please know that you all will be forever in my prayers.
