“ We are indeed sadden with the lost of Larry, he truly was a good person with a good heart, and that's what God judges, know he is where one day all of us who live for Christ long to be, so take comfort in knowing that to be absent from the body is to be present with God, and that's something to shout about. God Bless the Davis Family and hold on to the good memories about Larry, they will carry you through this time

“ *"For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD", Isaiah 55:8. God's ways are far beyond anything we could ever imagine. Many times we pray believing by faith God has heard and answered our prayer. But when the manifestation comes, it's sometimes not what we expect or imagined it to be. God answers the way He chooses. Because He is God, a story of a Mother, who prayed saying, "God take not my son off this earth unless he's SAVED. The son died and the Mother questioned God and her faith. She said, God replied, "I answered your prayer". If God allow it to come your way He knew you could handled it. Nothing that happens in our lives is a surprise to God. It's a surprise to us, because we don't know what the future holds. But we knows WHO holds the future, to give us an expected end. Be encourage from Jacquie Manuel Small & Family*

“ I would like to give the Davis Family my condolences in the lost of their live one. To Rose & Margaret who I have known for many years; I met your little brother at Plaisance High School in the late 70's. He was always so polite. To date he referred to me as Ms. Hicks. He was a very respectful man. R.I.P. Larry Davis

To the Family: It is hard to let someone you love depart from us but I know you all are happy that he is with our God and that he will be watching over you and waiting for you all to meet again.
I love you all and if there is anything I could ever you for you all, all that you need to do is ask.*
