“ *I can hardly believe it's been over 50 years since our families met. I loved the relationship between our mothers, how well they got along; like sisters. I think they set the tone for all of us to still feel like family even though they are not around after all these years. I am so sorry for the loss of your partner in life Brenda. Larry really loved you, Jason, Casey, and Tiffany. Willie Jr, Sandra, Linda, Norma Kay and Evelyn, you know how much he loved y'all too. He was a very loving and kind person and will be missed by all of us. We love all of you very much so please never hesitate if you need something, say something and we are there.*
