“ Don't think of her as gone away. Her journeys just begun. Life holds so many facets. This earth is only one. Just think of her as resting from the sorrow and the tears, In a place of warmth and comfort with no days or months or years. Think how she must be wishing that we could know today, That nothing but our sadness, Can really pass away and think of her as living in the Hearts of those she touched, For nothing loved is ever lost and she was loved so much.
Love Ya Cousin!
