“ *My deepest sympathy to your family. I remember looking at your dad when I was a kid and was always in awe of this giant of a man. Always a big smile on his face. I recall the exchange of greetings between him and my dad on many occasions . Always very respectful to one another. I guess they could always relate as they both raised large families. I know he was a hard working man and a model of what makes a good father and husband. Our little community is changing as so many good men and women are going home to be with Christ. I just want to let you all know you are loved and we will keep you all in prayer.*
