“ *To my beautiful children's, may y'all heart's be filled with blessings, mama Lena was a very extraordinary human being, live a great life. What inspired me about her you could never fool her no matter how many time you'd try. She'd look you in the eye's and immediately recognize that you weren't telling the truth.. therefore she say stop it. If you knew her then you would never ask her why you should stop it. Bc you knew she knew you weren't telling the truth, extremely honest person she was.but never hesitate calling you out when recognizing the fact that you were lying to her. I Luv you miss Lena R. I. P. May God bless her soul.Amen!*
