“ After reading about your recent loss. I would like to send my deepest condolences to the Bijou family. I am also moved to write you a message of comfort and hope. God has made the loving provision for a resurrection, so that you can see Mrs. Bijou again. You can read about this hope that Jesus talked about at John Chapter 5:28-29 in your Holy Bible.

“ It was with heartfelt sadness when I heard Mrs. Leona passed away. We were coworkers that quickly became a warm friendship. We all laughed all day that Friday with Mrs. Lee like as if it was one our last day with her. Mrs. Leona was a busy body, always willing to help others. She was loved by all and will be greatly missed.

“ *Leona was both beautiful on the outside and even more so on the inside! I first met her years ago when our sons played baseball together. I remember her warming up with Joseph and didn't take long to notice she had a better arm than me! I later worked with her and she was so nice!*

“ *My heart felt condolences to the family. My best memories of Leona were in high school as we participated in a Gymnastics event. I still have pictures of that moment. As we grew up, we went our separate ways, but recently re-connected as she became a supervisor of sorts to my son, who attended the ARC. I miss that we never stayed close, but you were never far from my thoughts. Rest easy, friend!*

My heart was saddened at the news of your passing. I remember you from high school. You were a very sweet person. We connected on FB and spoke every now and then. My heart and prayers are with your family as they go through this trying time. God saw that it was time to pluck this beautiful flower from his garden and give her eternal rest. Two wings to veil my face, two wings to fly away to glory and the world can't do you no harm. Rest well my friend in the arms of God. As I sing, To God be the Glory for the things you have done!!
