“ *To the family of Mother...*

I was truly saddened by the news of her passing. I remember the first time I met Mother, there was a luminous glow in her eyes which said there was a spirit in her so full of life. Along with that pretty smile and deep laughter, it was pleasurable to be in her company, she would always make you laugh. She was family to me. I will truly miss her. I send my sincere and deepest condolences to all of you during your time of grievance. My prayer is that God will restore unto all of you, laughter for your mourning; peace for your troubled spirit; and joy for your pain. And the beautiful memories of Mother be a forever presence of her spirit!

God Bless You All
