“ To Mrs. Jesse B, Children, & Family
I express deepest sympathy from the Barnes Family. Leonard will be greatly missed. He passed on the hill every now & then to visit his uncle "Miney boy" but he always took the time to say hello to his cousins next door. I remember the fun times we had as children. Your mother would always scare us about the big bear coming, we would all run in the house screaming. There were so many great memories when you all came to your mother on the weekend. I hope you & your family have many to share as well.

“ Hi Pauline,
It has been quite awhile since we have spoken or even seen one another. I'm so sorry it had to take an occasion like this to get to see you again.
I hope you and your family well and will keep you'll in my prayers. May God be with you and your family during this healing period.
