“ Dear Quessy Pooh, Just want to let you know that your departure has left a very big hole in my heart. You were my big sister,(by one day exactly) my bff. We have been through sooooo much. We shared so many good times. Things that we should have been mad about, we laughed about. You were the silliest and most fun person I have ever met, and no one can ever replace you. You take with you a huge part of me, and I want you to just hold it close until we meet again. I love you very much. May you rest in peace.

“ I am Lekoryon's kindergarten teacher. I only met Ms. Quessy one time, but she was truly amazing. She was so sweet and wanted nothing but the best for her little boy. She was a good mama. I am sorry that I won't be able to get to know her better. She seemed like a beautiful soul. I know she will live on through "Kory". My thoughts and prayers go out to all of you.

“ I had the pleasure of being Lequestia's teacher and also her Upward Bound teacher. One of my fondest memories of her was when I had gone to Las Vegas to visit my son, and her brother had seen me outside of Caesar's Palace, and he had called her to tell her that she wouldn't believe this but he had just seen Mr. Martel in front of Caesar's Palace. She just told him that she knew that already because he had told the class that he was going. No big deal!
