“ My heart is broken to pieces. I am so grateful for everything Lil did for me. She was more than my favorite aunt & big sister. Lil loved & protected me throughout my growing up as if she was my mother. We lost a True Earth Angel she instilled confidence & nurtured others. She spent her time mothering, protecting & healing. Underneath her peaceful exterior there was energy, intensity & a powerful will that energized those who crossed her path. Like her children I too benefit from her wisdom she leaves as her legacy. I still cannot digest this loving heart has crossed over so soon “too soon”. I love Lil dearly. To Blythe, Kiya, Wayne & Lil grand babies I pray & know God will hold you all close to his heart with Lil throughout this healing process as she acclimate her angelic presence in the spirit realm. I thank God for putting Lil in my life. I will miss her beautiful smile & quick wit. Rest In Peace Lil 🙏

“ Lillian was a very special friend & co-worker. She was an inspiration. She was the epitome of compassion, patience & strength. Being in her presence made everyone feel @ peace. Even in the presence of chaos; she'd say, “Just everyone take a deep breath. It's going to be alright.” She'd have the biggest smile on her face & just oozing peace. That simple act of strength & patience instantly made everything better. Lillian you are loved 💕 and will truly be missed.

I have lost a friend I have known for thirty years . She was smart ,strong ,kind and fair . She would drive to LSUE for nursing classes after working a 12 hrs shift . She would tell me she'd make it home take a nap and later prop herself up to not fall asleep to hard because she was cooking for her family . She graduated with honors and earned her RN degree . I will miss my friend so much . May God keep her beautiful grown children in his grace . They come from a woman of God . Lord take care of Wayne as she would have .

“ I have so many memories, most of which were from our early childhood. I always admired Aunt Rhia's strength and intelligence. We knew early on that she didn't play...All she had to do was give us that look!!! I don't think I've ever met anyone whose read as many books as she had and as fast as she would...it was inspiring. She was Beautiful and Kind and always a straight shooter....I will never forget her. I look at you Kyia and see so much of your Mom, its a beautiful thing to witness. My thoughts and prayers are with you, Blythe, your Dad and the rest of the family. RIH Aunt Rhia!!! Love you!
