“ My condolences to the Golden family! Words cannot express how I felt when I heard about the passing of Miss Linda. You always think there’s enough time to check on someone or give them a call, there’s not. She was an important part of my family’s life. She helped to raise my one and only daughter, Brianna. In fact, I’m not sure what I would have done without her. I was young and she helped me through so many things especially being a new Mother. She made it look easy and was so kind even when I thought I was bothering her. Putting a tree in her name and sending a plant does not seem like enough, in fact, it’s not. Your memory will always live on! Especially in all the children you’ve helped to raise!! Even though I will not get to see you one last time, I know we will meet again!! Rest well Ms, Linda!!

To Linda's family: My love and prayers are with each of you. My memory of Linda is that she was a quiet, private yet strong, intelligent and loving person. Your good-hearted character lasts. Since we met at Lincoln, became friends and brought our parents together, you never changed. Peaceful joy, Linda. Special in my heart.

Oh Ms.Linda you were so loved! Thank you. You will be greatly missed. The love, care and concern you showed to all your babies at Young Scholars Academy will never be forgotten. You cooked for and took care of those babies like your own. Pulled their teeth and whatever else you could to soothe them, I never worried about my children as long as you and Mrs. Spiller were close. I pray that you find rest and that God has wrapped you up in his love and that he never lets you go. Rest Queen. Job Well Done.
Love always, The Williams Family
