God looked out over the horizon & said there must be sunshine today but I also need a beautiful rose to accompany it. He then went to his garden & plucked his lovely creation Lois to join him in his many mansions. There she will have no pain or worry but awoken to join her family and spend endless days with her father.  
We send our greatest love & prayers to you in your time of bereavment. Trust in God & your sorrow will be healed with time.
