“ *To Michael, Kevin, Kenneth, Christopher and extended family i send my heartfelt sorrow. I have always considered Ms. Lois to be a second mother to me, she and i had a bond like no other yrs ago and i held on to that all these yrs. Your mom was an awesome woman and i will always treasure our relationship. I still think about all those great meals especially her fried chicken and her okra . God Bless her family and let them remember that you are in control and all is well in Jesus name . Love always, Linda Walker.*

“ I wish to send my deepest sympathies out to the family. Cousin Lois will forever be a great memory to us. She was truly a blessing to me and my sister during our mother's last days on earth (Augustine Ames). She would always check in on us and would cook meals for us as well. She will never know the gratitude I feel towards her. We will keep the family lifted up in our prayers. On the behalf of the children of the late Augustine Ames (Todd Ames, Nicole Ames, Kindra Ames) May you find comfort in the Lord during this time.

“ *My dear sweet kindhearted sister. So many beautiful memories we made together. The disco years were the best. I feel blessed to have seen your Betty Wright and Tina Turner impersonations. And I still fry chicken the way you taught me. I never did get the meringue right for that lemon pie but it's okay. I cherish the times we shared and keep you in my heart.*
