“ Hello to the family, my name is Keisha Smith formerly (Morrow) and I was not sure if this was my friend Lolita that was stationed with me while in Ft. Jackson, SC and also lived with me for awhile. If this is, I am truly sorry for your loss. I tried for years to keep in touch with Lolita because she was such a dear friend of mine and also helped me when I was a single parent with my son Xavier who is now 16years old. I got to met her sister Mary when she came to visit SC very briefly. I was unaware that Lolita had so many siblings and foster parents. She was outgoing but never really shared her personal life because she always said she had been through so much. The last time I actually got to speak to her and hear her voice she spoke of a spider bit that made her very ill but she assured me that she was starting to feel better. That was last time I got to her voice. I planned a trip to LA last month and decided to try once again to find my friend so I could visit her and let her know that she had always been in my thoughts and prayer instead I found this. It took me a minute to post anything here because I did not want to believe that this was her. I truly loved "Lo", that is what us Army folks called her. If any of the family receives this message if it is not to much to ask, please contact me to let me know where I can visit her grave site. My email address is [kxyalways1@gmail.com](mailto:kxyalways1@gmail.com) and number is 706-755-3664. Thank you in advance. My condolences to you all.

“ My family and I would like to express our deepest sympathy over the loss of Lolita. May you find comfort in your loving memories and the warmth of family and friends. A scripture that has uplifted me during times such as this is found at Revelation 21:4. There it describes a time when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time as well. Once again, please accept our condolences as you deal with your loss.
