“ *Words can't express the feeling I felt when I got the call about your passing. No we were not blood, but you can't tell me that. My memories of you are a mixture of laughter & sadness, because you were something else, & definitely one of a kind. It still hasn't really dawned on me that you are no longer present with us on this earth, but it blesses my soul to know that you are with God & that I was present with you the night you prayed your last prayer. Momo you will be greatly missed by a whole lot of people, & there is no way that we will or even can forget you. My prayers are with the Chachere\Williams family.*

“ *Sis. Lena Williams will be well missed. She was known for her character. I remember with sincerity how she prayed for my husband's care after his surgery and the love given to me and my family.*
