“ *Aunt Lucille was a beautiful person, inside and out, and loved by everyone who knew her. She was a very special aunt to me. She was the apple of “nonk’s” eye and he hers. She will be relentless and uncompromisingly missed. My deepest sympathy. I am praying that your faith will give you strength in these testing times. Please know that I share in your grief. I will always remember her sweet smile and beautiful nature. If my hug was strong enough to take away your pain, I would start now and never stop. May God keep you and your family in his embrace at this difficult time.*

“ *Lil John and Kim, We would like to offer our condolences to you and your family. We wish we could say something to make you feel better. But words fail. Cry as much as you can. Don't hold back. Only time will ease your pain. Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. May the love and the memories that you shared with aunt Lucille comfort you in the finest way. Condolences from grandchildren who know what you are feeling. ~LaChaundra, Romona and Wilton Jackson, III*

“ I only knew your mom for a short time as a volunteer with Louisiana Hospice. Mrs. Lucille was such an inspiration in her faith and love for her family and God. My prayers will be for Mrs. Lucille and her family. She was a beautiful woman always with a smile and kind words.
