“ *We can say we know how you feel, for we have been there..and we care; We can't make things easier... but we will pray; We can't walk this path for you... but we will walk beside you.*

*May you find comfort in knowing that God cares and loves you and so do we. May you also find comfort in the memories your love one left and the fact of knowing that she is resting from her labor.*

“ You all have our deepest sympathy. May you all be blessed with great strength to endure your time of previous bereavement and now of your dear mother. It was good to know such a pleasant and kind person. Know that she is in God's care now with no more pain, illness, or worry.
