“ *My deepest condolences to the family of my dear friend Marcus. I  
was blessed to have spent the majority of the time with him the past  
few weeks, where we did nothing but laugh in the present and  
reminisce of the great memories we shared together in the past. We  
were always able to come together in a business mindset; While  
keeping life an adventure- I will always remember the good times;  
And you will truly be missed! I love you brother and you are in a  
better place!*
