“*Marcus, you were definitely a joy to have in our lives. A most powerful relationship grew between us as you grew from being an infant, toddler, preteen, teenager and finally an adult respected by us. We loved you with all of our hearts. How could we not, when you showed us the walk you had with Christ? It was often seen as a bright radiant glow coming from you and your tremendous respect for all people.*

*Thanks, Dear Jesus, for the time we had with you. Helping each other was often a mutual thing. If our love could have saved you, your transition would not have taken place at such a young age. You would have had more time to fulfill all or most of your dreams.*

*We will never understand what went wrong on Interstate 20 East in Alabama. We do know you were not alone. Many people were there to greet you. Your Dad, Mama, brother, grandparents, uncles, aunts, cousins and friends were there. Most importantly, Jesus was there. He took you in His arms, removed your pain and led you to eternal rest.*

*You will be missed by all who knew you. Rest in peace Marcus; we will never forget you.*

*You lit a candle that glows forever in our hearts and minds.*

*Lasting Love,*

*Aunt Ruth and Aunt Mel*
