“ To my beautiful Auntie Margie.
It saddens me to know that you are no longer here with us. But I find joy in knowing that you are now home with God and that has been your ultimate goal along this journey of life. You have always expressed that our journey is not complete until we see Jesus for ourselves. Sleep on Auntie, your journey is now complete. We will miss you, but you will never, ever be forgotten in our hearts.
Love always,

Your niece
Cynthia

“ *Mrs. Robinson was my 6th grade teacher in Chataignier. She was such a warm and loving person who you could do nothing but love and respect her. She was more than a teacher to many. With her wonderful loving ways she felt like a mother away from home ea h day we went to class. Such a strong woman with words that showed love and insured respect. May she rest in peace and know she will never be forgotten because she instilled many life long lasting memories and lessons she passed on for years and will last in many of us forever.*

Richard was her beautician she loved to have her fix every week you could tell she always wanted her head to look good . I know God plucked his beautiful Angel to come home with him and what a great time in Heaven she is going to have.
