“ I first met Marie in 1975 when she was hired to apply her Business degree from Grambling to the bookkeeping and office skills needed for the Home Start program in Lawtell and Opelousas. She not only accomplished that but she soon was also coordinating home lessons for the mothers helping their pre-schoolers "learn how to learn'. Marie's gentle presence was a gift to colleagues and families. Her sense of humor and strength of character was a blessing to all she worked with.

Marie was a very faithful member of the Holy Ghost church community as well.

Blessings to her family who helped her stay in her home these past several years.

They truly helped her walk Home to be reunited with Cleveland, family and friends.

Marie remains a dear and treasured friend of more than 50 years. With love and gratitude to her family. Jan Doherty, Spokane WA
