“ *God blessed our family with you Jean he gave you a smile that lit up the skies all the way to heaven. We're blessed for 59 years and the only thing I'd change is the time we missed out on, we should've spent more time together, that didn't stop me from loving you. Tell everyone hello and I can see you now with that big smile seeing your daddy and brother, your mom my daddy and everyone else. Until we meet again RIP*

I will miss her girlish laughter and those two arms wrapped around my neck radiating love from the heart. When she saw a child, she would say, "Come here baby, give me a hug", without hesitation, they would.
