“ God Bless you Bernie. God knows you had faith and accepted your illness with grace. I will remember you best, perfectly dressed, sitting up near nurses station, calling me over in the mornings for a hug. (And it was sure not just me!) I would tell her how jealous I was of her gorgeous skin complexion, and she would put her hand up and her head down in modesty. She knew all of us and was a hot mess, lol. Seemed like she knew all the gossip too, lol. She loved the Lord and religiously said her rosary. Pray for us from Heaven, Bernie, we need it. Condolences to her family who will miss her dearly. We all will
