“ As the day approaches for our family to lay Shwana to rest my heart is do full. I think back to the day you come home from the hospital as a baby. You were so loved. Daddy and Mother (Lee & Olivia Richard) your grandparents had you so spoiled. You was daddy's lil buddy, he would take everywhere. I can see you sitting on that little chair he bought you. Uncle Pat, uncle Larry and meself would fight to hold you. As adults, we all may live in different places, but my memories of you with that big smile and your fun loving heart will always live on.

*Rest in Heavenly Peace my sweet niece.
Love you Always!!!

My dear niece, Godchild. words can never express how hard it is to realize you are gone to eternal rest. But I'm relieved that you are now in the care of our dear lord. Our rare moment were always fun filled and positive. GOD needed you more, and now you are my new angel that I can call by name. May you rest in peace in the bosom of our lord.. I will always love you, but selfishly I must let you go.. Rest in eternal peace.Uncle Ray
